

The Key Role of the Faith Sector Leadership On Pediatric HIV: Engaging With Children And Young People

Presented by Rev. Jane Ng'ang'a
ICASA 2021; Durban South Africa

UNIFYING INTERFAITH VOICE – CALL TO ACTION

12 Million Campaign

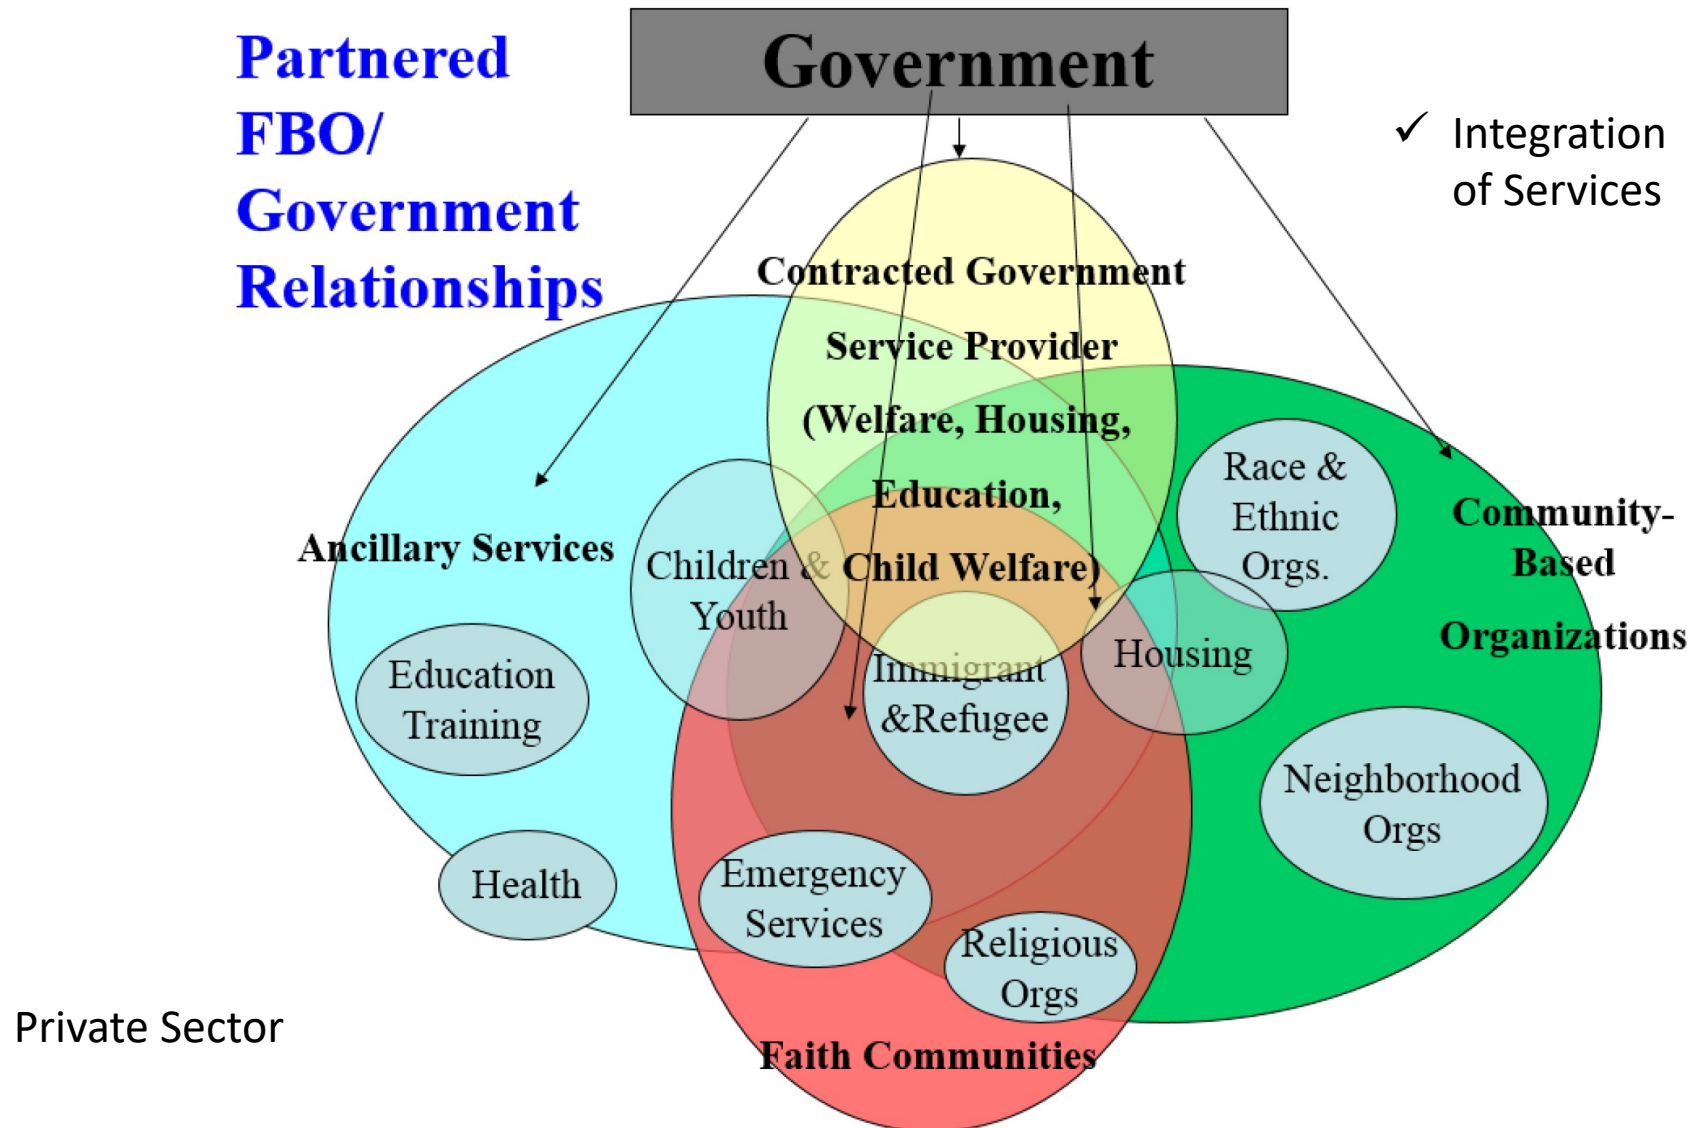

- ✓ Support the identification of and collaborate with **Faith HIV Champions in country and at global level: Involve at least 12 faith leaders per country to be strong and coordinated voices for the rights and dignity of all.**
- ✓ **Mobilize action** to ensure that the 12 million children, women and men – who are living with HIV and are not yet on optimal lifesaving antiretroviral have access to such treatments, remain on treatment, and have their viral load suppressed

Rome Action Plan - Pediatric HIV and TB in Children Living with HIV
