2020 A NEW ERA

- NEW ways of having meetings online
 - Regional meetings
 - International meetings

(Global AIDS Conference, HIV2020, Interfaith Conference)

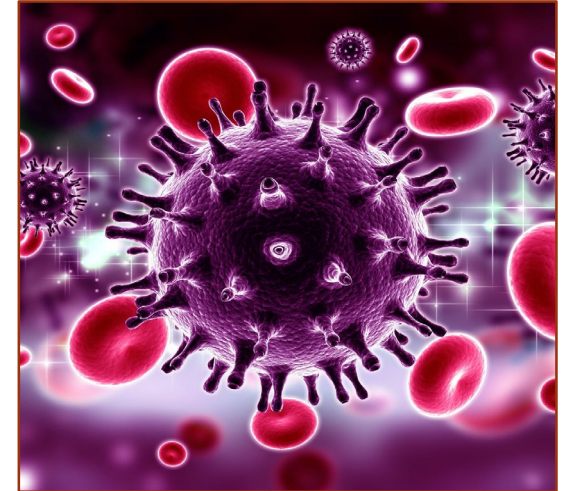

A NEW way of Life for many –COVID 19 changed everything

However we remain Resilient!

CHANGES IN THE WORLD OF HIV/AIDS

- Funds are depleting
- Allocation of funds toward COVID 19
- Threat of a reduction of medication
(maybe only for the Caribbean region)
- HIV still spreading
- COVID 19 still spreading
- Lack of enough information to solve COVID.

AIDS 2020

- Ongoing interviews with stakeholders to continue the discussion of an HIV Vaccine:
 - community leaders
 - advocates
 - Scientist

AIDS 2020 CONTD

- The importance of Self-care and how to best support those living with HIV.
- Social Enabler Make a difference
- Be Inclusive listen to the stories of those most affected
- PEPFAR shares Challenges and Opportunities

RESILIENCY WITHIN THE WORLD OF HIV & COVID

19

- In the Caribbean there is little reports of high rates of HIV positive people dying from COVID 19
- There is an introduction of self-testing
- Balancing the new burden on the healthcare system.
- United Nations Universal Health Coverage by 2030
